Draft desk statement along with some additional background on progress to date/last six month and path ahead milestones

The date for the CAG may have changed but the general substance/tone/direction are reflected in this.

Curtis and Lynne et al are ready to discuss Monday a.m. via phone as you will call into Sr. Staff.

Lynn, Bob and Jeff,

We reworked our statement following the telephone call with MDHSS and a discussion with Mark. Please find attached a more substantive statement. Once MDHSS releases their news release announcing the study we will issue our statement to congressional members, state and local officials, the CAG chair and the news media (in that order).

We need to have our points out there.

Thanks for your review! We would like to get this in the bank early Monday given the likelihood of an early release by MDHSS.

Thanks!
Curtis
